KINGS PRAIRIE

We have a new President.

We had a good shower Sunday morning and every way predicts an early spring, but we may have the usual storm at the end of March that will knock out the fruit that is left.

Rev. Qualls filled his regular appointment the 4th Sunday. The attendance and interest was good.

They had a real mad dog scare last week and most all the women and children stayed at home. We are informed the dog first struck John McCormack's biting his dogs, then it passed on east to Marion Tate's felling chickens and geese biting their dog, and it is feared a male. By this time parties were after it and succeeded in killing it near Carter's store.

The population of the Prairie is still increasing. This time at Mr. Powell's on the east side. It's a girl and all are doing well.

If the weather continues favorable the farmers will be found at home and in the fields. We must make hay while the sun shines or we will have nothing to reap when harvest comes.

E. R. Strubling went to his appointment at Mt. Joy, southwest of Purdy, Saturday and Sunday.

The Times is putting on city airs with its pictures and cartoons.

There is a man living on the south side who has about 15 acres of brush and sprouts. He bought a car load of goats to turn on. It seems that goats can be utilized for many purposes. First they will do your clearing, next you can butcher them for mutton, then you can milk and use the milk, shear and sell the wool by the pound, and last but not least they will stand guard. This man has two of the bravest trained to keep hunters out of his pasture. We would say to Billy Brine if he goes hunting that way look out for the sign goat and go round.

We are all hoping for a successful revival at the M. E. Church, South. Such work for goats is not limited but reaches out far and near.

Joe would like to have been at the great inaugural ball but when he learned that it took a whole five dollar william, that knocked him out by \$4.95.

Mr. Cowherd of the Prairie school closed his term last Friday. The day was spent in music, dinner, recitations, dialogues and essays. A good many of the patrons were present.

The Bible says it will rain on the just and the unjust. It struck them about fair in Washington besides filling in with a little snow and sleet.

The grown daughter of Mr. Thomas who lives on the O'Neil place came near meeting with a serious accident last week. While all the family were out but a small child she fainted and fell on the hot stove where she remained until her father was summoned from the barn.

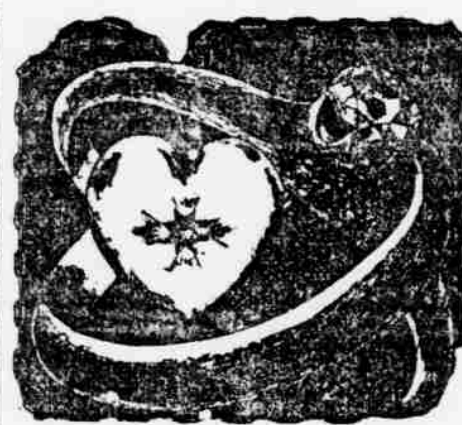

C. C. Carter celebrated the first birthday of his twin boy and girl last Sunday. He entertained them with some fine music on his celebrated Edison graphophone.

We hear some of the old soldiers expressing themselves as anxious to have been present again in Washington on the 4th of March and witness the grand parade, especially the marching of the soldiers clad in their gay uniforms and bright equipment and the splendid decorations, but they claim no 4th of March has ever equalled the grand review of Gen. Grant's and Sherman's army on the 24th and 25th of May, '65 when over 100,000 troops, fresh from the many hard fought battle fields, tired and weary from their long marches, passed up old Penn Avenue clad in their faded

uniforms and carry their tattered flags, cheered on by over 200,000 spectators whose eyes were not only pleased, but the mind and heart was made to rejoice to know they were going home to wear no more. Oh, what a contrast!

A BIT OF ADVICE

First-Don't Delay. Second-Don't Experiment.

If you suffer from backache; headache or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and un-natural in appearance, do not delay. The kidneys are calling for help. Slight symptoms of kidney trouble are fore-runners of more serious complaints. They should be given attention before it is too late.

Doan's Kidney Pills cure kidneys. They are recommended by thousands. Can Monett residents desire more proof than the statement of a Monett citizen who says that the cure Doan's Kidney Pills effected years ago has proven permanent?

James T. Bowman, Marshal Hill, Monett, Mo., says: "Kidney complaint made me miserable for at least two years, being brought by exposure to all kinds of weather. Whenever I caught cold it settled in my kidneys, causing my back to ache and the kidney secretions pass too frequently. When Doan's kidney Pills were suggested to me as a cure for the trouble, I procured a supply at Knapp's drug store and they entirely relieved me and strengthened my kidneys."

The above statement was given in December 1906 and on December 9, 1908 Mr. Bowman added: "Doan's Kidney Pills still have my highest endorsement. This remedy has been so beneficial to me that I have been convinced of its great merit in cases of kidney trouble."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Soldier Barks Death Plot.

It seems to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe Colds, obstinate Coughs, Hemorrhages, Asthma, and to prevent Pneumonia it's unrivaled. 50c and \$1.00. Trial bottle free. Guaranteed by A. H. Cox and Co.
